

Troop 16 News

(August 2021, Wilderness Camping)

We were fortunate to make the voyage this year. The wind was an interesting challenge on our way to our site. Everyone had a great time, exploring the wilderness and seeing the wildlife. With the warm dry weather, the fish were not biting. We were doing all we could to find the fish though. The boys did find a nice swimming hole at the second site we went to. You guys did great, on our adventure.

There are still a lot of incomplete merit badges out there and school is about to start. How about finishing these up so it doesn't become a burden? If you are finished up and need to meet with Scott, give him a call and set up a meeting time.

Youth Elections are near. Do you have what it takes to guide others. Now is the time to find out.
